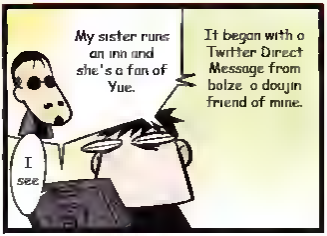
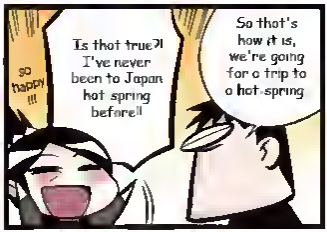
[Chapter 04]

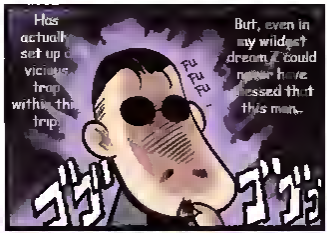
Feels like a trap concealed in a trip.





So,

I just realized after Yue mentioned it, but this could actually be our honeymoon trip.



Has actually set up a vicious trap within this trip!
But, even in my wildest dream, I could never have guessed that this man...
FU FU FU

ゴゴゴ

SFX: rumble rumble

His nick was "bolze" read as [borz] the dot at the end truly existed

In China Valentine's day is a celebration where boys will give the girls presents. In Japan, it's the opposite.
So, these are Yue's first hand-made Valentine Chocolate.

"Jin Sun, give me flowers or chocolate and celebrate Valentine Chinese way. Otherwise I won't give anything to you!"
was what she told me before, so I was really not expecting this to happen. To be honest, I was so happy.

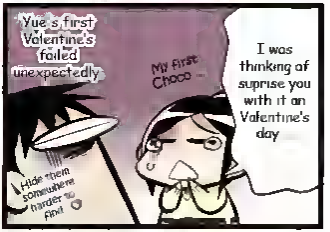
So,

In anticipation of her hand-made choco failure, she even prepared something hand-made! (laugh)
She's really well-prepared!!

3 days before February 14th

There were only 10 minutes left
It arrived just in time. Thank goodness
Its from your mother, Jin San
The package we had long awaited finally arrived right before we departed for the hot-spring trip...

SFX: Ken-chak



Yue's first Valentine's failed unexpectedly
My First Choco ...
I was thinking of suprise you with it on Valentine's day
Hide them somewhere harder to find

You're Not Afraid of Anything Anymore?

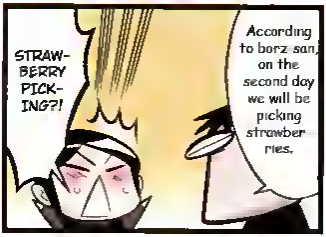
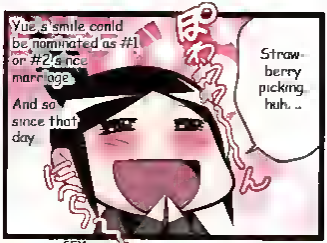
That Would Be Extremely Wonderful





Or at noon
Even now I'm so excited
Can't wait for straw-berries picking

You're right...
I plan to skip breakfast on that day!!!

Mere strawberry picking is making you so excited. Somehow I feel uneasy about this
I wonder how much can I eat...
I'll eat till my fullest!
even at night

Jin San, the wrestler starting from this point won't receive money, you know?

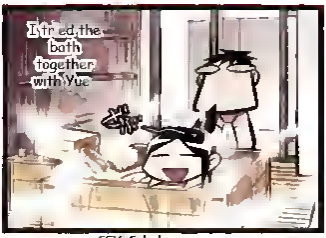
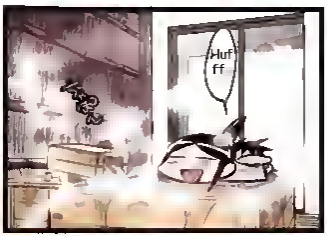
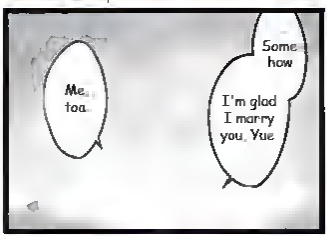
Jin San!! There are two sinks with a heater attached on each!?
You sure it's OK? You really sure?
Wa Are you sure this is not a mistake?
It's awesome

It's so strange. It's even more spacious than our own room. I wanna take a bath in the tub there again.

Is this holiday strange?







Enchanted Yue,
"This is the first time I see such beautiful snow!"

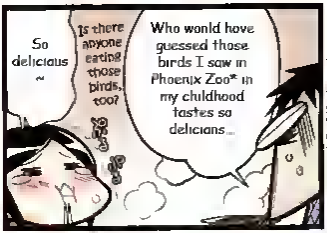
The snow in ShenYang was thin like fog, and it's smeared in black as soon as it stopped.

She said that they don't snow like that here with such big flakes floating down slowly.

I Was So **

That's my face when I'm thinking about food. But only this one picture, okay?

Can you face the guineafowl's feeling?



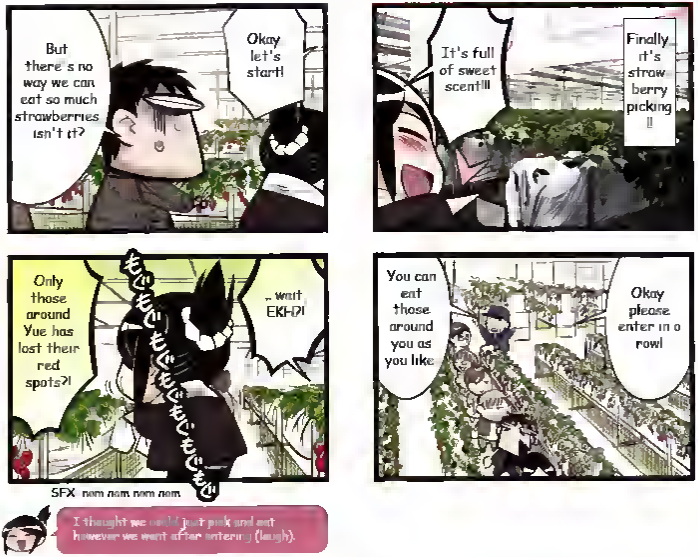
So delicious ~
Is there anyone eating those birds, too?
Who would have guessed those birds I saw in Phoenix Zoo* in my childhood tastes so delicious...
SFX: Shiver Shiver

*A zoo in Miyazaki where guineafowls wander around freely

She's so engulfed in its deliciousness that she didn't listen to whatever others were saying
So, what's this meat? An animal?
SFX: Shiver Shiver

In Phoenix Zoo, the guineafowls are walking around like slaves

Your Stomach'd Never Allow That



But there's no way we can eat so much strawberries isn't it?
Okay let's start!
It's full of sweet scent!!!
Finally it's strawberry picking !!
Only those around Yue has lost their red spots?!

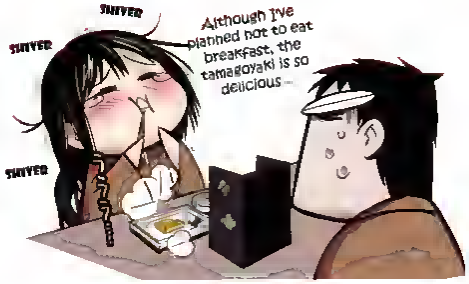
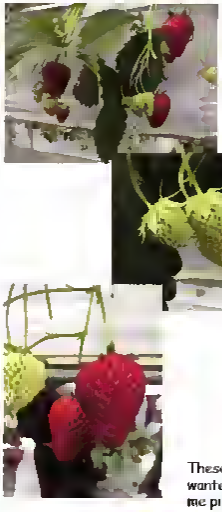
...That morning Yue couldn't held in her appetite with such deliciousness The tamagoyaki was a masterpiece

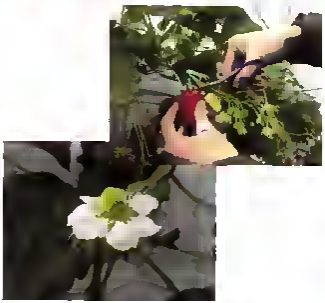


So,

Here I publish the pictures Yue took that time!



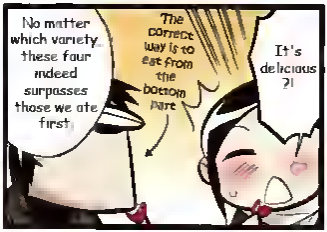
These are my hands. I wanted to take a photo of me picking strawberries.



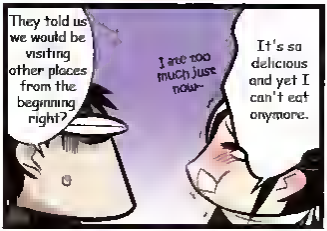
She took the strawberries pictures well!! Of course these are only a small few of her pile of strawberries photos.

At the time I wished I had 2 or 3 stomachs!!

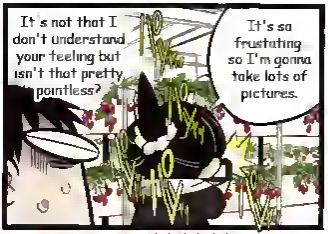
I Won't Rely On My Stomach Anymore



No matter which variety these four indeed surpasses those we ate first.
The correct way is to eat from the bottom pare
It's delicious ?!



They told us we would be visiting other places from the beginning right?
I ate too much just now~
It's so delicious and yet I can't eat anymore.



It's not that I don't understand your feeling but isn't that pretty pointless?
It's so frustating so I'm gonna take lots of pictures.

SFX: click click click

After eating the 2nd one I realized that its taste surpasses the 1st one. You won't knew w thout trying them!

I was supposed to be not afraid of anything anymore

Great sensei!!
Whoaa

At the end of the trip.

So,

They really displayed it. Ukh~ I feel nervous only by imagining it

Yue really enjoyed this trip. Even now, she still talks about it from time to time.
She's especially happy about being able to wear kimono and eating the wild boar nabe.

Actually the Okami was married to man with greater age-gap than us. She told us the secret recipe to maintain marriage for a long time.

And that's skinship. Thanks for the advice (laugh)

Fujinoya Yutei is truly a good inn! They're well known for their Yamanashi wine and Guineafowl dish.

Next time we'll visit again with our own expense! Definitely!

Yue also signed it.

It seems that Jin San was so into Puella Mogi Modoko Magica that he referenced some titles from it.
